February Evening Class 2018

Our classroom space is limited and is available on a first-come first- serve basis.

The deadline for Institute registration is Wednesday, January 10, 2018

* Institute fees are **non-refundable** once a candidate has received materials.

- Candidates must pass ALL desired content tests before enrolling in Institute.
- **COMPLETE EVERY ACTIVITY!** Every single activity in the packet is tied to a testing objective, an educator standard, or TEA training requirement.
- There are five modules that must be complete **BEFORE** the first day of class. Use the rubrics at the beginning of each section as guide on how to organize your notebook. Bring completed notebook to the face to face sessions. If **EVERY ACTIVITY** is not complete, you will be asked to leave and will pay to repeat session during the next scheduled institute.
- If you have any questions, we encourage you to call and ask!
- Once a candidate completes the content test, 30 hours of field based experiences and all training components, you could be eligible for employment as soon as Fall of 2018.
